Okay. I know she had somebody else quote it. I didn't realize it got far enough for them to do a permit. Either way. It will be us doing the work now.

Thank You  
And God Bless

I've been discussing this with the lady for several months. It wasn't me was it?

Thank You  
And God Bless

Good morning! What exactly are you needing this permit for? There was a 200 amp service upgrade applied for back in 2024. It was paid for but no inspections were ever scheduled.

Sincerely,
