Subject: Cancellation & Refund Request - 6037 McDougald Rd - ERES2404-0053

Hello,

We will be outsourcing the service upgrade so we will not be doing the work. I am requesting the permit be closed out on your end and for a payment refund to be issued, if at all possible.

- ERES2404-0053; 6037 McDougald Rd Lillington, NC 27546

If a refund is available and you are sending it via check, please send to the following address: 1403 N Research Way Building J, Orem, Utah 84097. Please let me know if you need any additional information to process this. Please note that we are still moving forward with the solar so only the service upgrade permit needs to be cancelled/refunded.

Best,
