

## Bradley Hocevar

257 Beacon HI Rd , Lillington, NC 27546

08/10/2024

### Project Information

Project Name	Bradley Hocevar	Customer Phone Number	(850) 381-5738
Customer Address	257 Beacon HI Rd , Lillington, NC 27546	Installation Date	08/10/2024

### Job Check In

Was the customer home for install?	Yes	MSP Check - Red Flags Present?	No
Did the Customer agree to the equipment location?	Yes	Does Structure Match Plans?	Yes
Roof Check - Red Flags Present?	No	Structural Check - Red Flags Present?	No
MSP Check - Does MSP Match Plans?	Yes	Miscellaneous - Red Flags Present?	No

### Project Completion Photos

### Site and Safety

### Rooftop Installation

Roof Type	Comp Shingle	Does this project have a attic run?	Yes
Comp Shingle Mounting Method	Rail-less	Conduit Transition	Attic Run Only
Railless - Flashed or Flashless	Flashless	Does this project include a Trench?	No
Does the Job Require Unirac Tilt Legs?	No	J-Box Type	Deck Mounted J-Box

### Electrical Installation

Were Consumption CT's installed on this project? No

Why were Consumption CT's not installed on this project?

N/a

Was there any Electrical Equipment/Conduit Installed Inside The Garage/Home? No

Does This Project Include a Battery? No

---

## Commissioning

Was the Inverter/Combiner Commissioned? Yes

Does this project include a battery? No

Were there any errors during the commissioning process? No

Was PCS utilized or required on the SLD for this project? No

---

## Crew Lead Review + Quality Assurance

Was there a need to change the layout? Yes, the layout did not fit as designed.

Specific details for layout change

Took last row and added column

Was there a need to change the piont of interconnection method? No, was able to install POI as designed.

Was there a need to change the BOS Location? No, was able to install as designed.

Design Change Approved By: Nicholas quarrey

Are There Any Remaining Punchlist Items? No

Was permit left onsite? No

---

## Customer Installation Review

Is the customer home? Yes

Was the Installation reviewed with the customer? Yes

Was the final layout reviewed with the customer? Yes

Was the Monitoring set up reviewed with the customer? Yes

Any customer requests outside of punchlist items?

No

---

## Miscellaneous - Trenching, Critter Guard, Rafter Upgrades

Removal/Reinstall? No

Are The Gas & Electrical Meter On The Same Wall?
