Awesome thank you.

There was also another one I emailed about last week Michelle Myatt forwarded my email to you on the day you were out. It was also a cancelation of a permit that has already been issued for the address of 338 Country Spring Ln permit# ERES2410-0020.

Good afternoon, Donna,

I would like to know how do I go about cancelling the permit for 105 Longview Pl permit # ERES2410-0022? I've already been issued the permit, but the homeowner no longer wants the work to be completed and have cancelled on their end. If you could help me with this, I would greatly appreciate it.

Thank you,
