

**County of Harnett**

**November 25, 2025**

**Subject: Post Installation Approval Letter**

**Job Name: Robert Shepard**

**Address: 98 Kipling Creek Drive, Fuquay-Varina, NC, 27526**

**Attn: To Whom It May Concern**

After inspecting the installation of the above referenced project, it is the opinion of Current Renewables Engineering to certify that to the best of our knowledge, belief, and professional judgment the PV installation is in conformance with the Structural Calculations provided for planset **dated 11/25/2025**.

- i. The PV equipment's structural installation has been designed and inspected,
- ii. The equipment will not create a negative impact on the building's structural design, including any additional loads imposed (dead, snow, wind), and
- iii. The installation is in compliance with the North Carolina Residential Code

This letter does not waive the installer of any responsibility for improper installation.

If you have any further questions on the above, please do not hesitate to reach out.

Sincerely,

Professional Engineer  
Current Renewables Engineering
