Hey Sir! I spoke with Brad and he said to let the owner fill out the electrical application and sign as owner to get his power back on.

Sincerely,

Hey,

I was just sending you an email. I just got another phone call back from a Diego with C&M. Something is very off with this request. If you can break free for a few minutes, please give me a call on my cell phone at 704-995-2450.

I am sorry for such an Erwin issue on a Friday.

Thanks,
Snow Bowden

Good morning! I apologize, I missed your call. The customer is here waiting. I have contacted the electrician and they are supposed to be emailing the application.
