I need an approval of some kind to send to FM.

Thank you,

Also, he is ready for the elec approval to be called in to Duke Power, I just want to make sure it's okay and I think Ken is off.

Thanks!

Subject: FW: Meter box

Mr. Butler is going to come next door with his inspection ticket. Ken did the elec reconnect yesterday and told him to email him a picture of the cover for the meter box (attached) but otherwise it was approved. However Ken didn't note this on the ticket (also attached.)

Mr. Butler also needs to set up his Fire Marshal review. I've given him the building code summary to fill out.

The property is zoned for vehicle sales, I won't issue the zoning permit until Fire Marshal approval.

Thank you.
