Donna,

Below is the owner, Sheila Keen, saying she doesn't have a problem with us fostering. Will this suffice?

Thank you,

I don't have a problem with them fostering a child. What does the letter have to include?

Zane & Sheila,

I hope all is well since the last time that we spoke. I am reaching out to you today in reference to your tenants. They are looking into fostering a child between the ages of 0-13, but in order to qualify for their foster care license they need your approval in the form of a brief written letter that is dated and signed. Would this be something that would be okay with the both of you ?

Please let me know.
