Dear Shelia,

This letter is in response to your request for approval to allow foster children into your home. Management understands the need for good safe and loving homes for children in the foster care program and is supportive of your endeavor to become a foster parent.

Your request is approved. We appreciate if you will please keep us updated with the names of the children you foster and keep in mind that in accordance with your lease agreement the maximum allowable number of occupants in a 2-bedroom apartment is 5.

If anything, further is needed just let us know.

Sincerely,

Charlotte Johnson
