Jennifer,

Harnett County is going to waive the fire inspection fees for the upcoming fall and spring events. We still want the inspections to occur but we will not charge the fees. The Board of Commissioners did not want to have them pay the inspection fees. If you need anything else from me please let me know.

Thank you,

Brent Trout  
County Manager  
Harnett County

Brent,

Mr. Donald Thomas called for you concerning the discussion of waiving of fire inspection fees for the upcoming fall and spring events. Jennifer Bethune at Central Permitting needs your approval before they she can waive those fees. Please email her or send me something to put on letterhead and I will be happy to do so.

Thanks,
