Contractor Terraquest Environmental Consultants, P.C. Phone # 919-563-9091

This application must be completed and returned to Central Permitting prior to the issuance of the permit. Please allow (7-10) working days for processing. A site inspection will be conducted to ensure compliance with applicable regulations. All fees shall be paid before permits will be issued. The following items are required to be submitted with this application:

- 1 Copy of North Carolina Department of Environment, Health and Natural Resources GW/UST-3 Notice of Closure Intent.
- 2 Number of tanks to be removed including the capacity and contents of each tank.
- 3 Information detailing the proposed disposition of the tanks after removal.

It is the applicants responsibility to ensure that conditions are in accordance with all applicable Federal, State and Local regulations.
