Tommy,

I just want to remind you because this is a change of occupancy it will need to go to Harnett County Central Permitting for Fire Marshal approval. I will need this before I can issue the permit but I don't think on a job like this it will take to long.

Thank you,

Joshua Perry

Subject: Re: Permit Application for The Square at Lillington

Good Morning Josh,

Attached is the Life Safety Plan for Square at Lillington, UPS Upfit.

Let us know if you need anything else.

Thanks much,

Tommy
