INSTRUCTIONS

1. **A surveyed and recorded map and deed must be attached to this application along with a site plan showing:**
1) Location of dwelling 2) Location of driveway 3) Location of any wells and other existing structures.
2. The outlet end of the tank and distribution box will need to be uncovered and property lines marked. After the tank is uncovered and property lines are marked, you will need to call our office at 893-7547 or 893-7548 and let us know that it is ready.
3. The system must be repaired in the set time of the violation letter or if there is no violation letter, then the tank needs to be repaired within 30 days.

This certifies that all of the above information is correct to the best of my knowledge. False information will result in the denial of the permit. The permit is subject to revocation if the site plan, intended use, or ownership change.

Signature of Owner or
Authorized Agent ONLY Lynda M. Bass
