Linden, NC 28356

Re: Structural investigation of a single-family double-wide mobile home with HUD labile No's (f) PFS 350774 and (b) PFS 350773 located at 700 Valerie Lane in Linden, Harnett County, North Carolina 28356.

Dear Mr. and Mrs. Palmer,

By observation and study of the damage site, I have determined that the structure will carry the wind and gravity loads pursuant to the NCRC. The OSB subfloor was not delaminated. The walls were gutted to well above the water line. The plumbing was not damaged. The electrical had been restored by a licensed electrician.

I certify that the above home is ready for the necessary flood restoration procedure. I will return to check any part that the Code Enforcement Official requests that I check. This will be at no charge to you.

Kindest regards,

CATO ENGINEERING ASSOCIATES, PLLC
