HEATING & AIR

To Whom It May Concern,

Please note that I, David Herring License #09066, of Cedar Hill Electric, am an affiliate of Premier Heating and Air, Inc. When I need permits pulled I prefer to have our inside staff girls do the paperwork and pull the permit, saving me a drive all the way back to the office. Please accept permit requests on my behalf by our staff. If you have an accounting question please call me or Lee Herrera the CEO of Premier Heating and Air, please call the office at 910-965-0222. Thank you for updating your records and feel free to contact us if you have any questions or concerns!

Best regards,
