Invoice details
Invoice no. : 1066
Invoice date : 11/1/22
Terms : Due on receipt
Due date : 11/4/22

Product or service	Amount
1. Equipment	\$6,500.00
I propose installing a 2.5-ton Trane 14-seer heat pump with an 8 KW heat strip. This installation includes a 3/4 PVC drainage, an outdoor pad, and a T4 programmable thermostat.	
2. Ductwork	2.5 units x \$1,400.00 \$3,500.00
My team and I will be installing and designing a new R8 flexible duct system. I will supply each room with a 4x10 or 4x12 supply register. Also, two 14x20 return intakes will be located in the hallway area near the T4 thermostat.	
Sales tax	\$0.00
Ways to pay	
	
Total	\$10,000.00

Contact Morales Heating & Cooling LLC to pay.

Note to customer

Warranty
Trane equipment brings a ten-year part warranty and a ten-year coil and compressor warranty WHEN REGISTERED.
Morales Heating & Cooling provides a one-year labor warranty.

Thank you for allowing us to take on this project for you. Don't hesitate to contact me if you have any questions.
