Re: Acceptability of Water Service from Lee County/TriRiver Water
Rafter Creek Lane in Harnett County
PIN# 9670-50-2430.000

Dear Mr. Licata:

I am responding to your request for approval of water service from Lee County/TriRiver Water for your property on Rafter Creek Lane at PIN# 9670-50-2430.000. The property currently has not been assigned an address, but is located due west of 246 Rafter Creek Lane in Harnett County, NC, and you have stated your intention to build a house at the property.

Harnett Regional Water does not currently have water service to Rafter Creek Lane. It is our understanding that Lee County/TriRiver Water has a water line along Cox Mill Road, which possibly extends along Rafter Creek Lane. The subject property may connect to the Lee County/TriRiver Water utilities for water service, at TriRiver Water's discretion.

If needed, further information on Harnett Regional Water can be found on the Harnett County website www.harnettwater.org. If you need additional information, please contact our office.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Steve Ward', is written over the signature line.
