**Re: Status of Improvement Permit Application #3-5-6995**

Dear Mrs. Benson,

On May 13, 2003 , an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *Please locate all corner irons and clearly mark all sidelines so that your soil evaluation can be completed. Be advised that in the areas that I have evaluated, I have not found soil that is suitable.*

When you have completed #1 & # 6, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Health Department
