Dear To Whom It May Concern,

On January 4, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled – **Irons for corners need to be visible**
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected; we will then reschedule your property for evaluation. We are sending this letter to you because we have no correct mailing address for Rex Johnson and were unable to reach him or you by telephone. Thank you for your attention to this matter.

Sincerely,

Bryan McSwain, R. S.
