Second Letter Lt. 20

Dear To Whom It May Concern,

On June 24, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **Must move home as shown on following page. Must reduce home from 4 bedroom to 3 bedroom and submit changes to Central Permitting.**

When you have completed this, please call 910-893-7527 to confirm through the IVR system that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
