PO Box 65, Lillington, NC 27546 910-893-7527

# Environmental Health New Septic Systems Test Environmental Health Code 800

Place "property flags" in each corner of tot. All property lines must be clearly flagged.

- Place "house corner flags" at each corner of where the house/manufactured home will sit. Use additional flagging to outline driveways, garages, decks, out buildings, swimming pools, etc.
- · Place flags at locations as developed on site plan by Customer Service Technician and you.
- Place Environmental Health "orange" card in location that is easily viewed from road.
- No grading of property should be done. Undergrowth should be cleaned out to allow soil evaluation to be performed.
   Inspectors should be able to walk freely.
- After preparing proposed site call the voice permitting system at 910-893-7527 and give code **800** for Environmental Health confirmation. Please note confirmation number given at end of recording for proof of request.
- To hear results, call IVR in approx.7-10 working days. Once approved, proceed to Central Permitting for permits.

## Environmental Health Existing Tank Inspections

## Environmental Health Code 800

- Place Environmental Health "orange" card in location that is easily viewed from road.
- Prepare for inspection by removing soil over door as diagram indicates. Loosen trap door cover. (Unless inspection is for a septic tank in a mobile home park)
- After preparing trapdoor call the voice permitting system at 910-893-7527 and give code 800 for Environmental Health confirmation. Please note confirmation number given at end of recording for proof of request.
- To hear results, call IVR in approx. 7-10 working days. Once approved, proceed to Central Permitting for permits.

## Health and Sanitation Inspections

## Health and Sanitation Plan Review 826

- After submitting plans for food and lodging, call the voice permitting system at 910-893-7527 and give code 826 for Health and Sanitation confirmation. Please note confirmation number given at end of recording for proof of request.
- To hear results, call IVR in approx. 7-10 working days. Once approved, proceed to Central Permitting for permits.

#### Fire Marshal Inspections

#### Fire Marshall Plan Review Code 804

- Call the voice permitting system at 910-893-7527 and give code 804 for plan review. Please note confirmation number given at end of recording for proof of request.
- To hear results, call IVR in approx 7-10 working days. Once approved, proceed to Central Permitting for permits.
- Pick up Fire Marshal's letter and place on job site until work is completed.

#### Public Utilities

- Place stake with "orange" tape/name thirty feet (30) from the center of the road at the location you wish to have water tap installed.
- Allow four to six weeks after application for water/sewer taps. Call Utilities at 893-7575 for technical assistance.

#### Building Inspections

- Call the voice permitting system at 910-893-7527 to schedule inspections. Please note confirmation number given at end of recording for proof of request.
- For new housing/set up permits must meet E 911 / Addressing guidelines prior to calling for final inspection.
- To hear results of inspections, call IVR after scheduled inspection is done.

#### E911 Addressing

## Addressing Confirmation Code 814

- Address numbers shall be mounted on the house, 3 inches high (5" for commercial).
- Numbers must be a contrasting color from house, must be clearly visible night and day at entrance of driveway if home
  is 100 ft or more from road, or if mailbox is on opposite side of road.
- Once you purchase permits and footing inspection has been approved call the voice permitting system at 910-893-7527 and give code 814 for address confirmation. This must be called in even if you have contacted E911 for verbal confirmation.

Customers can view all inspection results online at www.harnett.org.
