**Re: Status of Improvement Permit Application #06-5-16265 – Lot 8  
The Highlands at Sherwood Forest**

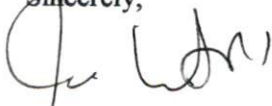

Dear To Whom It May Concern,

On September 26, 2006, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – **Map/plot plan submitted by you shows lot 8 and 9 combined. But information you've given, is for lot 8 as a stand alone lot. Please submit correct plot plan to Central Permitting as a revision and reconfirm.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
