Re: Status of Improvement Permit Application #07-5-16984

To Whom It May Concern,

On March 6, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled – **Please clearly mark property lines as shown on attached sheet.**
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed – **Please clear area shown on attached sheet so I can do septic and repair layout to determine if 4 bedroom home will work.**
- 5. Backhoe pits required
- 6. Other

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
