**Re: Status of Improvement Permit Application #07-5-17085
Nature's Crossroads Lt 51**

To Whom It May Concern,

On March 19, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – **Due to drainage issues, caused by road construction, I need to meet your consultant on site with his proposed septic layout.**

When you have completed this, please call 910-893-7547 between 8 - 9:00 a.m. and we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
