**Re: Status of Improvement Permit Application #07-5-17785 Lt 43**  
**Nature's Crossroads**

To Whom It May Concern,

On June 25, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – Clear lot so that I may do a septic and repair system lay out for a 4 bedroom home. Soils to the rear of the lot are better, so the home will be moved forward.

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
