Re: Status of Improvement Permit Application #08-5-19502

Dear Ms. Grey,

On April 2, 2008, a *second* attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Property lines/corners not marked or labeled – You will need to have a surveyor locate and mark corner irons and side lines.

2. House corners not marked or labeled

3. Directions not clear to property

4. Property needs brush or vegetation removed

5. Backhoe pits required

6. Other

Your application will be put on hold until the selected items above have been addressed.

When **completed please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe West".
