Re: Status of Well Permit Application & Land Use #08-5-21039 & #08-5-21039R

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing a Well Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled (*\$25.00 fee incurred*)
- 2. House corners not marked or labeled (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other - Front property line setback is 94 feet not 78 feet. Left side property line is 60 feet not 50 feet. Correct both site plans for Improvement permit and Well permit applications**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
