

COMMENTS:

I WENT TO Property ~~ON~~ 2-7-12 - NOT READY.

Approved 165 ESWM

WENT BACK ON 2-8-12 And Tank Uncovered. THE Flagged Area WAS ONLY 2' FROM TANK - HAD TO DISAPPROVE - (5' RULE)

I HAD SURVEYOR THIS AND I CALLED MR MONTCASTLE - HE WAS NOT HOME - I Spoke To Mrs Montcastle, she said she would relay message

I TRIED TO Advise About moving BACK of NEW SWM to where the back of EX SWM WAS Existing - MR MONTCASTLE CALLED BACK and TOLD

me NO WAY he WAS going to move this that far - He wanted to move 5' only - He SAID He could add ANY boxes TO back of

Home - how did my 5' matter - and THAT He would DIG UP TANK + Lines IN Future if He wanted to Add

to PROPERTY, I TOLD Him this would NOT be Allowed SINCE He had THE opportunity to move NOW After

Being ADVISED of situation it had to move TO back

of EX SWM TO BECAUSE
ROOM FOR DECKS, ADD,
PATIOS etc.

MR MONTCASTLE
Refused.
