Re: Status of Improvement Permit Application #12-5-29256

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible (\$25.00 fee incurred)**
- 2. Use orange flags to mark house corners (\$25.00 fee incurred)
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other – Irons referred to are at rear of property specifically within easement. Call me between 8-9 a.m. for clarification.**

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation. ***I have not had a response from nor do I have a phone number to contact you. Your permit can not be issued until these conditions have been met. Your application will expire within 6 months if no permits have been issued. Please contact me so that I will know how to proceed.***
