Re: Status of Improvement Permit Application #13-5-30849 & #13-5-30896

Dear Mr. Stokes,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible on both lots (\$25.00 fee incurred)

2. Use orange flags to mark house corners (\$25.00 fee incurred)

3. Directions not clear to property (\$25.00 fee incurred)

4. Property needs only brush or vegetation removed

5. Driveway not shown on site plan

6. Backhoe pits required

7. Other – On lot 1 all garbage must be properly disposed of behind MH. Septic tank must be uncovered and distribution box uncovered. (May need to locate drain lines) The 90 ft. easement must be marked.

Both applications refer to proposed septic tanks as being on lot 2 although site plan show 2 lots (1 and 2). Call me between 8-9 a.m. to discuss these items mentioned.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

James E. Manhart, III, R.E.H.S.
