**RE: Harnett County Land Use Application 03-5-6087**

Dear Mr. Dean:

On December 17, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation remove
- 5. Backhoe pits required
- 6. Other Due to rocky soil conditions backhoe pits (3foot wide and 4 foot deep ) must be dug where I have placed blue flags.

When you have completed #5 & #6 please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S.  
Environmental Health Specialist  
Harnett County Health Department
