Re: Status of Improvement Permit Application #3-5-7947

Dear Mr. Hughes,

On October 6, 2003, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *Due to rocky soil conditions, backhoe pits will be needed. Please have backhoe operator call me so that I can instruct him on where pits need to be dug.*

When you have completed #4 & #5, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
