**Re: Status of Improvement Permit Application– SFD1811-0004**

To whom it may concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible.
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs all brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required in proposed septic area to evaluate due to large rocks. Call EH with pit location/specification questions.
- 7. Other- SFD shall be shifted forward (approx. 10ft) to accommodate flagged conventional system. Revise paperwork with Central Permitting.

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
