Mr. Glenn,

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

- 1. **Uncover Outlet lid on septic tank and break seal free and drain off.**
- 2. Have system pumped out
- 3. Replace Sanitary T
- 4. Other –

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
