**Re:** **Third Party Foundation Inspection**  
Location: Lot 34 Mason Pointe (170 Piney Field Road (Fuquay-Varina, NC))  
JDS Project No.: RDU1904472  
Municipality: Town of Fuquay-Varina  
Date of Plans Approval Stamp: 05/07/2019  
Date of Inspection: 06/05/2019

We are pleased to provide the evaluation of the subject and location referenced above.

**Observations:**

Third-Party Foundation Inspection.

- Perimeter walls have a minimum 2" projection on both sides.
- Piers are properly sized and placed per the structural drawings.
- All piers bear on the middle third of the pier footings.
- All mortar joints have been struck or tooled, and have proper consolidation.
- Unbalanced fill conditions for the porch and garage are acceptable.

**Recommendations:**

Based on our on-site observation and review, the crawlspace foundation has been adequately constructed as is and in accordance with the approved permitted plans and details. Additionally, the foundation has been installed in accordance with 2018 NCRC sections R403.1.1 and R404.1.1.1.

NOTE: The footings and foundation were constructed at time of inspection. This was a limited visual inspection of the foundation already in place.
