2. Use orange flags to mark house box.

3. Directions not clear to property (\$25.00 fee incurred)

4. Property needs cleared prior to permitting

5. Driveway not shown on site plan (Revision Required)

6. Backhoe pits maybe required

7. Other- Proposed house box and septic area shall be cleared prior to approval. Revision shall be required to pin down location of house. Only one setback provided, front and side setbacks minimum required.

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
