Re: Status of Improvement Permit Application: SFD1910-0001

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other**-SFD not located in area of proposed site plan. SFD flagged approximately 60ft from PL. Applicant stated plans to revise. Existing Duke Energy Power Easement across middle of lot shall be documented and provided for size (30ft, 50ft, 70ft).

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.

Sincerely,

Andrew Currin,
Environmental Health Specialist
Harnett County Department of Public Health
