

Notice to Homeowner Declaring Exemption from Article 5 Chapter 90A

Harnett Environmental Health Department has received notification that Curtis Graham Johnson shall be declaring the exemption

Homeowner as Homeowner under N.C. General Statute 90A-72(b)(2) to install and/or repair an on-site wastewater system. In order to protect the environment, the Environmental Health Department advises if Homeowner does not have prior experience in on-site installation and/or repair that a person certified by the North Carolina On-Site Wastewater Contractors Inspectors Certification Board (NCOWCICB) be hired to do this service. Please be advised that Environmental Health Department reserves the right to be present for any and/or all parts of the installation and/or repair process including excavation and cover-up.

In order to declare the exemption all of the following requirements must be met:

- System must be a single septic tank
- System must be gravity fed
- System must have gravel trench dispersal media
- Person listed as Homeowner must own property
- Property must be intended solely for use by Homeowner and members of homeowner's immediate family who reside in the same dwelling
- Homeowner shall perform installation and/or repair labor without any monetary exchange or other means of payment for labor to any party other than a person certified by NCOWCICB

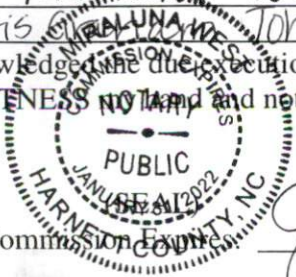

By signing below, the Homeowner hereby acknowledges the above statement.
