Anderson Creek Club Architectural Committee hereby **approves** commencement of construction in accordance with the plans and specifications for construction/improvements as set forth in the AC Application filed October 15, 2020, subject to the limiting conditions and terms set forth herein.

H&H Homes, the Contractor, is hereby **authorized** to construct the improvements upon the following conditions:

1. Full compliance with all applicable Covenants and Restrictions and according to the plans and specifications submitted and approved as amended.
2. Construction shall begin within 5 months and be completed within 18 months of commencement.
3. Other terms and conditions:

**Final Certificates of Compliance are always contingent upon proper landscaping. Remember to adequately screen HVAC units and electrical equipment and any open areas under rear decks, taking into consideration distance requirements posted by utility companies. As per builder's guidelines page 14 #'s 8, 9, and 12.**

**All exposed foundations and stem walls exceeding 8" from ground to siding must be finished with brick or stone around the entire structure.**

**If location of home is altered, re-submit proper plot plan for approval. Current plot is approved**

**Please add trees (2) to the front yard 2 caliper minimum as there are no existing, trees. Landscaping screening underneath of decks will be required.**

This 16<sup>th</sup> day of October 2020,

Anderson Creek Club  
Architectural Committee
