RE: 155 Mockingbird - Fresh Air Supply for Vent Hood

Attn: Contractor and/or Homeowner

This letter is to inform you that we have properly sized the HVAC equipment at the above referenced property to accommodate the fresh air supply needed for the hood vent that was installed. The size of the equipment installed supplies adequate conditioned air needed to operate the hood vent properly with no issues and meets all applicable mechanical code requirements.

Should you have any additional questions please contact our office.
