This is to certify that I was present at this job site when a subcontractor (Mike Perry, a manufacture accredited installer) applied safety film (LLumar SCL SR PS4) to annealed glass, to bring it up to tempered specs (ANSI Z97.1 and CPSC 16 CFR 1201).

Test report: https://cdn.llumar.com/drupal/scl_sr_ps4_eighth_inch_18_inch_drop_0.pdf
 Test summary: https://cdn.llumar.com/drupal/llumar_ss_testing_data_sheet_l2382_0.pdf

Job address: 35 Heather Brook Circle, Spring Lake, NC
 Window location: 5th bedroom above garage
 Builder: Red Rock Builders
 Work completed on: 8/2/22
