To Whom It May Concern:

Meyers Professional insulation (MPI), located in Raleigh, NC is an Icynene contractor. To be an Icynene contractor, a company must adhere to a health, safety, and product stewardship program compliance agreement and have had sprayer training. They have been working with Icynene spray foam products since 2018.

Should you need any additional information, please do not hesitate to contact me at 832.655.3425.

Regards,

Carmen Busceme
Sales Director, South Central
Icynene Inc.
