

RE: Cane Mill Estates
Coats, NC 27521

Smith Douglas Homes
2520 Reliance Avenue
Apex, NC 27539

This letter is notification, that due to the ongoing issue in this subdivision of not maintaining your houses in a weatherproof state after the installation of drywall, we will no longer approve any rough framing inspection until such time that the structure is fully dried in, with all window and door installations complete.

Thank you,

Brad Sutton 9/20/2021
