**Re: Status of Improvement Permit Application: SFD2103-0030**

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other- Lot Not Ready – **No property corner irons exposed, accessible, nor flagged. No property lines marked. House box not staked out onsite. Advised to review house placement post marking of property. Site plan location not consistent with what Gary Robinson Homes rep had advised. Site plan shows home past creek/ditch. Have survey irons and lines marked, re-mark home, review if consistent with site plan, and reconfirm/revise when ready.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
