**Re: Status of Improvement Permit Application– SFD2103-0098**

To whom it may concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs brush or vegetation removed**
- 5. Driveway not shown on site plan
- 6. Backhoe pits required because of excess rock in the ground. Cannot auger through to proper depth for evaluation.
- 7. Other- Property lines have to be cleared so line of sight can be made to irons, call when ready for revisit.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
