Re: Status of Improvement Permit Application: SFD2104-0026

Mr. Peter Gitto:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other-** Surveyed corner property irons not uncovered or visibly marked. Property lines not marked onsite. Corner irons shall be exposed and marked and property line accurately displayed. House box corners have fallen down and do not match proposed house dimensions. Recommended to mark driveway onsite for accuracy in septic layout and well placement. Correctly prepare lot and reconfirm when ready.

Your application will be put on hold until the selected items above have been addressed.

When completed, **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.

Sincerely,
