

To whom it may concern:

I, Fred Smith, authorize Harnett County Environmental Health to access my property at 1471 Murchinsontown Rd from my adjacent property 4835 Ponderosa Rd. Access can be made through the gate that is open on the right hand side of 1471 Murchinsontown Rd. The fence is open through this access point for the inspector to enter and retrieve samples for perk test.

Sincerely,
Fred Smith
