Re: Status of Permit Application-SFD2107-0043

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are Set by surveyor need to be visible. (\$25.00 Fee incurred)
- 2. Use orange flags to mark house box.
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs cleared
- 5. Driveway not shown on site plan (Revision Required)
- 6. Backhoe pits required

X 7. Other- Marked property line does not match front and back irons on left side. Mark line via surveyor and remark revised house placement. Marked property line may require soil scientist return visit/revision. Reconfirm when ready.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
