Subject: 181 Armstrong Street- swimming pool

Good Morning,

I tried to log into TrakiT to update the permit for the swimming pool at 181 Armstrong Street. The Town is okay with both options that have been discussed. Having the water pumped into a truck and hauled off when the pool needs to be drained. We are also okay with an emergency pump to drain the water into the yard as long as it is not dumped into the pond at the bottom of the hill or any adjacent property owners. If you need any other information please let me know.

Thanks,
Snow Bowden
