Re: Status of Improvement Permit Application #SFD2112-0047

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to accurately mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs brush, trees and vegetation removed from house and septic area
- 5. Driveway not shown on site plan
- 6. **Backhoe pits required**
- 7. **Other- After getting a second opinion on this lot with my supervisor, it is our opinion that you will need to clear the road front area of all growth, and get a backhoe on site to dig pits for soil evaluation.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
